How We Honor, Recognize and Pay Respect for Fallen Heroes...

FALLEN HEROES PACKAGE

Whether it was in the armed forces or through fire or law enforcement, your loved one has served, and therefore, deserves to be recognized. McComas Funeral Home has been honored to work closely with all of the branches of the military as well as our police and fire department communities to pay final tribute to many fallen heroes through the years.

TO HONOR THOSE WHO HAVE SERVED, WE WOULD LIKE TO OFFER THE FOLLOWING SERVICE PACKAGE TO PAY TRIBUTE TO THE LIFE OF YOUR LOVED ONE.

OUR TRIBUTE FOR A VETERAN BEGINS WITH THE INITIAL CALL - From the moment you contact our firm we will determine if your loved one was a Veteran. From the time your loved one enters our care, he or she will be treated with the utmost respect. A custom-made American flag quilt will be draped over the stretcher to transport a Veteran from the place of death into our care. The quilt provides a caring, patriotic way to honor a deceased Veteran in a proper manner.

PALLBEARER IDENTIFICATION - The pallbearers for a deceased Veteran will be identified with an American flag lapel pin. This is our gift to the pallbearers designed to be a keepsake in remembrance of their part in honoring the Veteran.

CUSTOMIZED VIDEO TRIBUTE - Through family supplied pictures we will create a memorable tribute that will be played at the visitation and service. We will give it to you in DVD format for continued viewing in your home. You also have the option of having this program accessible on our website for further viewing.

SERVICE EMBLEMS - We will use magnet service emblems on the doors of the hearse that will take your loved one to his or her place of rest. These emblems will proudly display the line of service in which your loved one has served.

WALK OF HONOR - American flags will be arranged at the cemetery creating a "Walk of Honor" leading to the graveside.

MILITARY HONORS - Upon receiving the necessary documents and authorization, the funeral home will arrange for military honors to be rendered at the proper time.

Payment Policy

We offer the following payment choices.

Please feel free to discuss special needs with your funeral director.

- 1) Payment in full is required at time of arrangements.
- 2) Payment may be made by cash, check, MasterCard, Visa, or Discover.
- 3) Payment may be made by assignment of insurance proceeds if policy is assignable. *For assignment of insurance proceeds, we require that insurance policies be delivered to us at the time of arrangements, so they may be verified and we can ascertain whether or not the policy can be assigned to the funeral home.*

(Payment may be made in any combination of the above equal to the total amount due.)

- 4) We ask that payments to third parties (e.g., grave opening fee) be made separately by the family with a personal check or credit card.
- 5) **Pre Payment.** You may have already established a pre-paid funeral arrangement with our funeral home. In the event that the total funding of the pre-paid funeral contract has not been satisfied and/or additional charges are incurred at the time of need, the balance is required at time of arrangements and may be paid through any of the above payment options.

Pre-Arrangements

With very few exceptions, all items contained in the General Price List may be pre-arranged and pre-funded.

In an effort to both prepare and inform the families we serve, the McComas family encourages prearranging.

Along with the peace of mind that pre-planning provides, your pre-paid plan may also be guaranteed as set forth below.

When families prepay, monies are paid to an irrevocable insurance policy which will allow the account to be guaranteed in part, that is that no other monies would be required for goods and services from the funeral home at the time of death although additional monies may be required by third parties such as cemeteries and newspapers.

We guarantee our goods and services by way of an insurance policy face amount based on the total amount of the contracted services and merchandise through our company (the "Total Funeral Price") and the age of the person at the time of prearrangement, as follows:

If the Beneficiary is 80 years of age or older, the insurance policy face amount is 110% of the Total Funeral Price; and

If the Beneficiary is less than 80 years of age, the insurance policy face amount is 115% of the Total Funeral Price.

Pre-arranging has become a key component of many estate planning portfolios. Flexible terms are available to ensure that pre-arranging your funeral fits within most budgets. Please ask your funeral director to explain the many benefits to pre-arranging your funeral services.

ADVANCE PLANNING GIVES YOU & YOUR FAMILY THREE DISTINCT BENEFITS

Peace of Mind

We did it together. It's a good feeling to know these unavoidable arrangements are taken care of and that your family will not be burdened with additional decisions at a time of great emotional stress. Also reassuring is the fact that you have done all you could to avoid family disagreements over what you would have wanted.

Personal Choice

I know what kind of music I want at my funeral. You can decide how simple or elaborate the ceremony should be, who should be in charge, what merchandise would be appropriate, select the clergy and even choose the music, scripture and pallbearers – right down to the smallest detail.

Economy

I wanted my daughters to avoid emotional overspending. You save as you control the cost and you inflation protect your arrangements with a locked-in, written price guarantee that will never increase.
