2009 Memorial Day Honor Garden dedicated to

Former Scout and Army Staff Sgt.

Christopher O. Moudry

Iraq - October 4, 2006

The Memorial Day Honor Garden is a community event dedicated to the men and women of our Armed Services. What is unique about this project is that we individually honor all who have served, past, present, living and deceased. A ceremonial garden is temporarily created featuring displays with the name and service information of those honored/remembered. At the conclusion of the evening, the displays are presented to the families as keepsakes.

You can submit a friend or loved one to be honored/remembered by completing this form and mailing it to the address list on the back.

If you have any questions, feel free to email us at englefoundation@gmail.com or call 410-652-2086. Additional details can also be found on our website, www.englefoundation.org.
